**Part III          REASONS FOR ALLOWANCE**

1.      The following is an examiner's statement of reasons for allowance: The prior art

of record does not teach, disclose, or suggest the claimed limitations of (in combination with all

other limitations in the claim), selecting a first imaging related option to form images on media

using multiple of plurality of pages of data on individual of me media; selecting a second

imaging related option to form Images on the media using a first imaging devicve having a

capability to form the images on the media at a first resolution for ones of the plurality of pages

of data including data corresponding to a picture and using a second imaging device having a

capability to form images on the media at a second resolution less than the first resolution for

ones of the plurality of pages of data including only data corresponding to text ; partitioning the

plurality of pages of data into a plurality of sets, individual of the plurality of sets including the

multiple of the pages of data; forming images on the media using the first imaging device for

ones of the plurality of sets having at least one of the included pages of data including the data

corresponding to the picture; and forming images on the media using the second imaging device

for ones of the plurality of sets for which pages of data include only the data corresponding to the

text as claimed in claim 30.  Similar features are claimed in claim 33.  Therefore, claim 33 is

allowable over the prior art of record for the same reasons.
